Chairman

The Honorable Kay Granger
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting \$888,000 under the Economic Development Initiative for West New York Housing Authority Building Security Improvements. The intended recipient is the West New York NJ Housing Authority located at 6300 Adams Street, WNY, NJ 07093.

This project is a valuable use of taxpayer funds because it will greatly improve the safety and well-being of more than 1000 residents across eight buildings, including seniors and those utilizing over 300 Section 8 Housing Choice Vouchers. By enhancing access safety and installing security cameras, this project will make the buildings operated by the West New York Housing Authority a safe haven for residents so they can focus on other aspects of their lives. This is a scalable project. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Albio Sires
Member of Congress
